Dear Mr. Dodson:

This letter is in response to your request for additional information dated September 30, 1998 in reference to the July Monthly Report (06/01/98-06/30/98).

The DCCC received a final transfer of net proceeds from the President's California Majority Fund on June 06, 1998. Our April Monthly Report (03/01/98-03/31/98) includes a memo schedule A for lines 11a and 11c totaling \$233,930.90 in gross contributions attributed to the DCCC. These memo entry schedules represents the DCCC's entire share of gross contributions from the President's California Majority Fund.

In response to your inquiry of contributions received from Virginia Mithoff and from the Saginaw Chippewa Indian Tribe, the DCCC received a single check representing both federal and non-federal funds. The DCCC also received written authorization from each of these donors designating the non-federal portion or share of their contributions. When the DCCC receives such dual-purpose contributions, the check is deposited into the federal bank account and a wire transfer is immediately made from the federal bank account to a non-federal bank account. This transaction is entered into our donor database as a negative entry in order for us to maintain an accurate accounting of our contributor's federal aggregate year to date. This transaction is also disclosed on Schedule A as a negative entry on the date the transfer is made and represents a reduction to that donor's federal aggregate. In order to properly track each donor's aggregate, the transfer out of the federal account is reported in this manner.

If you have any questions, please contact me or Jackie Forte-Mackay of the DCCC Staff at (202) 485-3401.

Sincerely,

Matthew H. Angle  
Treasurer
